

Passionate staff, Successful families

In Tameside we are investing in our teams so that we can provide the best possible service for our children and their families.

With additional management capacity and a consultant social worker post already in place to provide extra support; a revised and enhanced induction process and fantastic, supportive colleagues, we are ideally placed to welcome you.

Tameside is committed to providing a healthy working environment with high standard supervision, manageable caseloads to enable proper reflection and “head space” along with a strong workforce development offer at all levels.

Even our buildings have had a make over!

Feel free to email Dominic Tumelty, Assistant Executive Director at dominic.tumelty@tameside.gov.uk and our conversation can continue!
