

# KIRWIN MACLEAN: OUR PUBLICATIONS

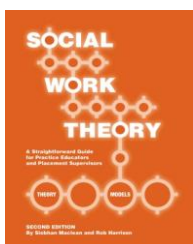

## **Theory and Practice: A Straightforward Guide for Social Work Students**

Written by two experienced practice educators, this book is designed to address the anxieties that many social work students have about social work theory and the way it relates to practice. It provides a straightforward explanation of the major theories used in social work practice. Prompts for reflection about how each theory relates to practice are provided at the end of each chapter.

**ISBN 978-1-903575-95-6 Number of pages: 263 (A4)**

**RRP: £18.99 our price £17.00**

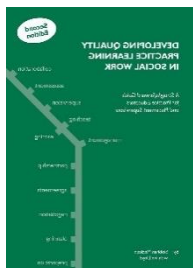

## **Social Work Theory: A Straightforward Guide for Practice Educators and Placement Supervisors**

The need to support students in their learning about social work theory often causes anxiety for practice educators and placement supervisors. This book provides an overview of theory in practice and a range of exercises which practice educators can use with students. It also outlines some of the key social work theories which will apply to any practice learning setting.

**ISBN 978-1-903575-92-5 Number of pages: 304 (A5)**

**RRP: £15.00 our price £13.00**

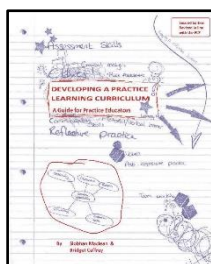

## **Developing Quality Practice Learning in Social Work**

This book takes the reader through a virtual placement with a social work student. Written by two experienced practice educators, the book is designed as a practical and straightforward guide to the placement experience. It is linked to the Practice Educator Professional Standards (PEPs) and offers a range of practical hints and tips to improve the quality of practice learning experiences.

**ISBN 978-1-903575-88-8 Number of pages: 181 (A4)**

**RRP: £12.00 our price £12.00**

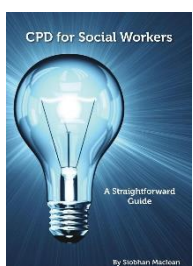

## **Developing a Practice Learning Curriculum**

This loose leaf ring bound publication supports practice educators in developing a placement curriculum. The first part provides advice on setting the learning agenda, developing a learning curriculum, using adult learning theory and facilitating a student's learning. Part two provides ideas for learning activities to facilitate a student's learning in relation to each of the nine domains of the PCF. More than a hundred potential learning activities are referred to. Handouts are provided which can be photocopied for use with social work students.

**ISBN 978-1-903575-90-1 Number of pages: 297 (A4)**

**RRP: £25.00 our price £20.00**

## **CPD for Social Workers**

The requirements for CPD for social workers have changed very significantly in recent years. Many social workers haven't made the necessary changes to the way they both approach and record their CPD. This book provides a straightforward guide to the output model of CPD, specific hints are provided on how to approach CPD and how to record this. A number of pro-forma suggestions are provided.

**ISBN 978-1-903575-89-5 Number of pages: 83 (A4)**

**RRP: £8.00 our price £8.00**
