

# Do you want to be a champion for children and families?

**Join Achieving for Children and you will be part of something special.**

We're an award-winning, not-for-profit community interest company jointly owned by **Kingston, Richmond and Windsor & Maidenhead councils**. This gives our staff the **employment benefits of the public sector**, plus the **freedom to innovate** without the distractions of being part of a much larger council structure.

We've been up and running since 2014 and since then we've **transformed services** in Kingston from an Ofsted rating of 'inadequate' to 'good'. Services in Richmond are also rated as 'good', and we've recently expanded to take on services in Windsor & Maidenhead. We're also one of the government's Partners in Practice, which means we have been chosen to **model excellent practice** and share it with the wider sector.

In 2016 we won the national **Social Work Employer of the Year** award, with the judges highlighting the **supportive working culture**, fantastic **training and development**, and opportunities for **innovation and career progression**.

We're looking for bright, enthusiastic social workers and team leaders who have the passion and the drive to make a positive difference to children's lives. If you join us, we will offer you:

- competitive salary and annual leave
- one of the best learning and development packages in the sector
- manageable caseloads and reflective supervision
- career progression opportunities across a growing organisation
- a supportive working culture, including staff recognition and innovation schemes
- excellent public transport links
- relocation packages

It's an exciting time to join the team at Achieving for Children. Visit [www.achievingforchildren.org.uk/work-for-us](http://www.achievingforchildren.org.uk/work-for-us) to find out more.
