

# For a career in Social Work... make a new start in Sandwell

**Sandwell Council is a diverse and exciting place to work in the heart of the West Midlands. It's a place we're proud to belong to – with a clear, aspirational vision for 2030 and beyond.**

Come to work for us in Adult Social Care and you'll join a skilled, motivated and talented workforce. In return, we'll support you to fulfil your potential through a range of development opportunities – from on the job training to professional qualifications.

We are also proud to hold the Investors in People accreditation, demonstrating our commitment as a learning organisation.

## **What's available?**

We have a range of job opportunities within our busy social work teams across Adult Social Care, with competitive salaries and a range of employee benefits available, too.

## **Talk to us**

Come to see us at the Birmingham event at exhibition stand 26 and take the first step towards your new career with Sandwell Council
