How to get there

The venue is easily accessible by rail via Manchester Victoria, Piccadilly and Oxford Road Stations. There are also a number of options if travelling by bus. To find out which buses run from your local area go to www.tfgm.com. If travelling by car, the nearest public car park is the Great Northern NCP in Watson Street.

Register now

You can register for your free ticket to this event by visiting the COMPASS website or by calling 01892 784804. You will receive regular updates including news about exhibitors and additions to the conference programme, with details of every seminar, workshop and film – as well as an automatic invitation to future COMPASS events.

Register for your free ticket now at

The North West Social Work Show is the largest one-day conference and exhibition in the sector.

Network with 1700 social work colleagues who are interested in finding the next step in their career, discovering innovative practice and supporting the social work and social care profession.

The exhibition will feature many organisations from a variety of areas across the sector.

Specialist service providers

Speak to representatives from the following service providers about their innovative services and how they are shaping the sector.

Cansford Labs

Creative Support

Five Rivers Child Care

The Mulberry Bush

New Directions

Richardson Partnership for Care

Speak to your professional association

This is your opportunity to speak with BASW to discuss your views on national and local social work issues as well as any professional advice you may need assistance with. They are the voice of your profession and want to hear what you have to say. **Take advantage of the exclusive membership offer on the day.**

British Association of Social Workers

Universities

At the event to discuss your ongoing learning are universities offering their latest undergraduate, postgraduate and distance learning courses along with one-to-one advice about post-qualifying training.

University of Central Lancashire

University of Kent

Open University

University of Salford

Voluntary sector organisations

Find out about current projects and innovations from organisations in the voluntary sector.

Manchester Active Voices

Local authorities will be available all day from 9.30am to 4.30pm to talk with you about your future development. More than 20 councils from across the country will be represented to discuss options for newly qualified social workers through to roles in senior management. You can view each employer's profile at www.compassjobsfair.com featuring the organisation's description, jobs they are recruiting for and testimonials from current employees.
