

COME AND GROW YOUR SOCIAL WORK CAREER IN BRENT.

GROWING TOGETHER

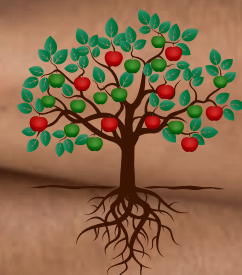

There has never been a better time to join Brent as a social worker.

We are an Ofsted rated "Good" authority and we are rated "Outstanding" for the service we provide children in care and care leavers.

Our social work teams have manageable caseloads to allow meaningful direct work with children and are supported by a fully permanent senior management team committed to building effective social work services. We offer iPads and iPhones and access to zipcars for all social workers and managers to help you work flexibly and efficiently.

We have a newly launched practice framework which sets the basis within which we help our practitioners to develop, with a number of tailored training programmes to grow the potential of our own social workers.

Brent is a great place to work. The borough is also one of the most culturally diverse in the UK. With great transport links, the huge ongoing regeneration of Wembley Park and our exciting plans to host the 2020 London Borough of Culture, Brent is a borough on the up.
